

MIKE STRICKLAND SOLO and DUO Concerts

TECHNICAL RIDER REQUIREMENTS

PIANO NEEDS: One newly-tuned grand piano in perfect working order. All pedals, keys and dampers are functioning properly. Properly regulated.

Type of piano preferred:

Yamaha - models C7 (first choice), C6, C5, CF III.

Steinway - models B, C.

Kawai - their 7 ft. and 9 ft. versions. Less than 15 years old. RX series is good.

Any quality 7' or 9' piano that is well maintained and doesn't have a stiff action.

A lighter, fast action is preferred.

1 comfortable padded and adjustable piano bench.

SOUND REQUIREMENTS

Sound system to accommodate minimum 5 microphones total for The Mike Strickland Duo:

2 microphones on piano (Audix SCX25 mics preferred- I have a pair if needed).

Please have 2 boom mic stands available for the miking of the piano.

1 boom microphone stand with 1 microphone for pianist/vocals (boom from the left side of piano)

1 boom mic for upright bass

1 DI for electric bass

1 boom mic for bassist vocals

RECOMMENDED LIGHTING

A warm wash is recommended A light-colored, lit backdrop is preferable, if available.

ADDITIONAL NOTES

If show includes a guest vocalist, please supply an extra mic stand. Vocal monitor may be required depending on venue.
